DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 11/26/2008 has been entered.

2. Claims 1-7, 21-22, and 26-32 are canceled. Claims 8-20, 23-25, and 33-35 are pending.

Claim Objections

3. Claim 33 is objected to because of the following informalities: claim 33 depends on the cancelled claim 21. Appropriate correction is required.

Claim Rejections - 35 USC § 101 and 35 USC § 112

4. Claim 34 is rejected under 35 U.S.C. 101 because the claimed invention is not supported by either a “**set of instructions**” asserted utility or a well established utility. The claimed invention appears to be “a computer readable memory comprising a **set of instructions** for calibrating a transmitter circuit having a first characteristic controllable

Art Unit: 2618

by a first control signal and a second characteristic controllable by a second control signal...". It is not clear support of what a "**set of instructions**" has been positive disclosed as.

5. Claim 34 is also rejected under 35 U.S.C. 112, first paragraph. Specifically, since the claimed invention is not supported by either a "**set of instructions**" asserted utility or a well established utility for the reasons set forth above, one skilled in the art clearly would not know how to use the claimed invention.

Reasons for Allowance

6. Claims 8-20, 23-25, 33 and 35 are allowed over the prior art record.

7. The following is an examiner's statement of reasons for allowance:

The applicant's remarks, filed on 11/26/2008, have been carefully reviewed with updated search. Consequently, reasons for allowance of claims 8-20, 23-25, 33 and 35 are set forth in according to the applicant's remarks, filed on 11/26/2008 state on pages 8 and 9.

Conclusion

8. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 2618

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
